TOWN MEETING RESULTS – 1987

The meeting opened at 7:10 P.M. with Richard Webber giving the invocation and a moment of silence for departed ones during the past year. Patricia Webber led the salute to the flag.

1. Officers voted on earlier and elected:

Selectman for three (3) years, Charles Heimann

Selectman for one year (1), Warren Bodwell

Trustee of Trust Funds for one (1) year, William Match

Library Trustee for Three (3) years, Joseph Thibodeau

Cemetery Trustee for three (3) years, Pamela Bielunis

Planning Board members, 2 for three (3) years

Margaret Wyman and Robert Coy

2. Voted on earlier by secret ballot, the adoption of the following Amendment to the Richmond Zoning Ordinance by adding a new Article XX entitled: Growth Management—Interim Regulation to read as follows:

Article XX Growth Management—Interim Regulation

Section 1. AUTHORITY. Pursuant to the provisions of RSA 674:23 the Town of Richmond hereby enacts Interim Growth Management Regulations.

Section 2. STATEMENT OF NEED. During the past six years, Richmond's population has increased from approximately 518 to 1000 people (as per Civil Defense State Census). Building permits issued for dwellings has increased from 9 homes in 1984, 17 homes in 1985, to 26 November 11, 1986. Such rapid growth uncontrolled will have a serious detrimental effect upon the Town's ability to meet the needs of the citizens, including police protection, fire protection, library services, recreational facilities, and road improvements. Furthermore, the Monadnock Regional School District will be sorely taxed to accommodate the additional students created by sudden growth.

Section 3. PURPOSES.

A. To ensure that the rate of growth of the Town of Richmond to be experienced in the coming years does not unreasonably interfere with the Town's capacity for planned orderly expansion of its services to accommodate such growth.

B. To authorize and provide for the Planning Board to develop a Capital Improvement Program of at least six years and growth management process under the provisions of RSA 674:22 and 674:5.

Section 4. DEFINITIONS. All definitions shall be as set forth in the Richmond Subdivision Regulations and Zoning Ordinance. For

the purpose of this article, a lot of record shall be lot which has its own separate chain of title and which was identified as a separate lot in the Registry of Deeds of Cheshire County as of December, 1986. For the purpose of this Article, a dwelling unit shall be considered a building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, for occupancy by not more than one family.

Section 5. APPLICATION. This Interim Regulation shall apply to all subdivision applications, all site plan review applications and all building permits, except as set forth below under exemption.

Section 6. REGULATIONS. This Interim Regulation hereby imposes the following requirements:

A. Any lot subdivided during the period of the regulation shall not be further subdivided.

B. No existing lot of record shall be subdivided into more than four (4) lots. The intended use of each lot shall be stated on the submitted plot or site plan.

C. The total number of dwelling units permitted for any subdivision, site plan, or building permit approved hereunder shall not exceed four (4).

Section 7. EXEMPTIONS. Applications submitted to and accepted by the Planning Board prior to the date of posting of notice of Public Hearing for the Interim Regulation shall be exempt from the requirements of this regulation.

Section 8. EXPIRATION. This Article XX shall be in force for a period of twelve (12) months from the date of approval of the Town Legislative Body or until the earliest effective date of an Ordinance adopted by the Town under the provisions of RSA 674:22 which addresses the unusual circumstances that prompted the adoption of the Zoning Amendment, whichever first occurs.

Section 9. SEPARABILITY. If any article, section, subsection, sentence, clause or phrase of this Article XX is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not effect the remaining portions of this Article and/or other Town Regulations in effect at the time. (Vote by ballot).

Yes vote—96

No Vote—16

3. The Town voted to raise and appropriate \$6,600.00 for Town Officers Salaries, \$12,000.00 for Town Officers Expenses and \$20.00 for Vital Statistics.

AUDITOR'S REPORT

Richmond, NH 03470
1988

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1987. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town Records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show that assets exceed liabilities by the sum of \$17,978.69 for the year ended December 31, 1987. There was a net surplus of \$47,208.40 in 1986.

2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to \$10,797.00. In 1986 there was \$16,401.34 in unexpended balances.

3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of \$194,212.13. The 1986 surplus amounted to \$72,114.26.

4. The Budget Summary indicates a net Budget surplus of \$200,997.12.

5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, Revenue Sharing and the Fire Department Equipment Fund have been summarized and tabulated.

6. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Town Report.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the

scope of the audit, were inspected and verified to the best of my knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1987. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records. The town is fortunate to have these people working for the town.

Respectfully submitted,
Ruth Flanders
Auditor
Town of Richmond, NH

COMMUNITY PARK COMMITTEE REPORT

During the year 1987, the only expenses incurred by the Park Committee were the costs of keeping the field mowed. In addition to its usual use by local children as a playground, the Park was used by the Recreation Committee to house the Summer Day Camp Program. It was also used for Softball practice by the team of one of our local young people.

During 1988, we anticipate no major projects, but are requesting only enough money to maintain the field in good condition.

Respectfully submitted,
C. Richard Webber

Auditor's Report

I, the undersigned, hereby certify that I have examined the accounts of the Trustees of the Richmond Public Library for the fiscal year ending December 31, 1987. Records of the checking account covering the Town Appropriations were found to be correct and very well kept. Records of the Trust Funds were also correct. The Librarian's checking account was verified and found to be correct.

Respectfully submitted,
Marion F. Holm, Auditor

SELECTMEN'S REPORT

The year 1987 brought continued rapid growth to Richmond. The Selectmen issued 59 building permits with 23 being new construction. The work on the Veteran's Hall Kitchen has been completed. A two-zone heating system has been installed to heat the kitchen area only through the winter months. The only remaining task to have the kitchen in first class shape is to have the floor sanded and finished.

The response to having our Secretary extend her hours during the week has been successful. The Town Hall is open on Wednesday afternoons from 1:00 p.m. to 4:00 p.m. and Friday mornings from 9:00 a.m. to 12:00 p.m. Many have used this time to look at the tax maps, pick up forms, and gather various information. Our secretary has completed an index card cross-reference for use with the tax maps. This makes it much easier to find present land owners and lot numbers. The Selectmen meet every Monday evening at 7:30 p.m. except on legal state holidays to answer your questions and conduct town business. This year the town was put on computer by use of a program purchased from Southwest Region Planning Commission. This December was the first time your tax bills appeared using this program.

The Board would like to thank all who have given so freely of their time this year to serve on town boards and committees. A special thank you to our Secretary, Tax Collector, Town Clerk and Treasurer for all their hard work this year in a rapidly growing community.

Respectfully submitted,
Dana A. Taylor, Chairman

CIVIL DEFENSE REPORT

This past year has been a very active one for Richmond Civil Defense. The name Civil Defense has been changed on both the state and national level to The Office of Emergency Management. Though this name change also applied to the Town of Richmond, it will be a while before we drop the old acronym C.D. In 1987 the town experienced two major training test sessions as part of our emergency response capabilities with respect to the Vernon Power Plant. Both of these tests received very high commendations from the independent consultant as well as the federal observer assigned to monitor our response. I feel that this speaks very well of the volunteer nature of our town to respond to the necessary tasks that involve us all. The fire department and rescue are to be highly commended for their very active role in the success of these tests.

The C.D. building has been progressing along well this year. It hasn't officially had its GRAND OPENING since its completion will happen sometime in 1988. (we hope!) There are still a few things to finish on the inside (i.e. the bathroom and some interior/exterior finishing). The building is, however, operating as our (the town's) official Emergency Operating Center. The police were invited to share part of the space and have moved from the upstairs of the Town Hall into the C. D. Building. This more central and accessible location should help to further facilitate the smooth operation of all the emergency response organizations in town.

The building has really been a strong focal point for the regular meetings of the various town organizations. In addition to the monthly meetings of the Fire and Police Departments, the Planning Board, Conservation Commission, Rescue and the Supervisors of the Checklist have all used the building for some of their business functions.

In closing, I would like to thank the N.H.State Office of Emergency Management for their consistent support and professionalism in assisting the town to develop facilities and a workable emergency response plan. As a result, the federal government in their general overview of the Vernon Power Plant emergency preparedness specifically commended Richmond for its facilities and volunteer dedication.

HOME HEALTH CARE & COMMUNITY SERVICES, INC.

In 1987, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, Cheshire County funding, grants, and patient fees. Services that could not be covered by other funding have been supported by your town.

The following information represents a projection of Home Health Care and Community Services' activities in your community for 1987. The projection is based on actual services provided from January through September, 1987, and an estimate of useage during October, November and December.

SERVICE REPORT

Services	Services Provided	Services Supported Partially or Totally By The Town
Skilled Nursing	60 Visits	0 Visits
Maintenance Nursing	5 Visits	12 Visits
Child Health Nursing	1 Visit	1 Visit
Physical Therapy	23 Visits	0 Visits
Home Health Aide	27 Visits	22 Visits
Medical Social Worker	4 Visits	0 Visits
Nutritionist	3 Visits	2 Visits
Total unduplicated residents served: 12		

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and office consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of services provided in 1987 with all funding sources is projected to be \$5,781.00.

The total cost of services provided for a partial fee, or at no charge to residents in 1987 is projected to be \$1,650.00.

We recommend an appropriation of \$3,000.00 if you wish to continue home care services at the current level.

FIRE DEPARTMENT REPORT

First of all, let me say that I had excellent support in 1987 by fire department personnel.

Our rebuilt 2800 gallon tanker was put in service, but we still have many things to be done in improving and maintaining our trucks. This year's major project is to rebuild and recertify the pump on 25-M2, our main attack truck, which is now over 18 years old.

Last fall our fire department had excellent cooperation with Civil Defense on the Vernon Yankee Nuclear plant drills. We were rated one of the highest towns for response and efficiency. This training could be very helpful in many other major emergency situations in Richmond.

Thanks to our residents being careful, we had only one house fire this year. It was in August at the Bugatch residence. The firefighters did a great job in knocking the fire down quickly with minimal water damage to the downstairs.

During 1987 the fire department firefighters answered 20 calls (not including rescue calls). They were: 1 structure fire, 3 chimney fires, 3 cover assignments to other towns, 4 grass and brush fires and 9 motor vehicle and other accidents.

We now carry over 4000 gallons of water in our 3 fire trucks. This will knock down or put out most fires. In addition, we continue to have excellent Mutual Aid Response from surrounding towns and many fire ponds to lay lines from.

With the help of the Postmaster, the fire department officers created a numbering system for every house in Richmond. This will be posted at the 1988 town meeting and should be very helpful for us to provide a quick response for any emergency.

Our department now has 20 volunteer fire fighters and 9 rescue personnel. We desperately need more volunteers. Please come and join our fine group!

Remember, if you need help in an emergency for any reason, like loss of power or water in your basement, give the Fire Department a call. We are here to help.

My sincere thanks and appreciation to all the Fire Department and Rescue personnel for their time and support. You made my year productive and pleasant.

Respectfully submitted,
George Blais, Chief
Lee Robbins, Deputy Chief

RESCUE SQUAD REPORT

The year 1986 has proved to be a very busy year for the Rescue Squad. We have responded to 47 calls covering a wide variety of emergencies. Three of our calls were to cover for fires.

This past year with the support of residents at Town Meeting, we were able to purchase six needed minator radios for our members. Everyone now on the squad has a pager and can be notified immediately through Fire Mutual Aid of an emergency. Valuable time is saved. We have also purchased two life jackets to be used on either an ice rescue or water rescue, rope bags to keep our good climbing ropes clean, and new oxygen guages and carry-bag for a more portable oxygen unit. We've had various pieces of vehicle rescue tools donated.

The Fire Chief has given the Captain of Rescue a radio no longer used by the Fire Department. This radio is for use in the Captain's private vehicle for better communication. It enables the Captain to let all others know if he/she is responding to the scene or Fire Station.

Our squad presently consists of 9 members, 4 EMT's and 5 Advanced First Aiders. Four members are certified in the use of MAST (Medical Anti-Shock Trousers) and one member in the use of EOA (Esophageal Obturator Airway). One of our members is an Advanced First Aid Instructor and another one is a CPR Instructor. We had two members attend Meadowood Fire School. One took a Fire Extinguisher class and the other took Basic Rescue and Rope Tying.

The squad does some fund raising throughout the year which includes a raffle at the annual BBQ, refreshments at Town Meeting and an annual Thanksgiving Day Pie Sale.

We also sponsored a Blood Pressure Clinic and an Open House for the general public this summer.

Through hard work and constant training we have one of the most dedicated and conscientious squads in the area. We would like to thank all who have supported us through the years.

We are constantly looking for more volunteers to join the Rescue Squad. Anyone with Advanced First Aid and CPR are urged to contact any member of the Rescue Squad.

Please remember, call 352-1100 for any emergency. We are available 24 hours a day.

Respectfully Submitted,
Mary J. Taylor, Captain

RECREATION COMMITTEE REPORT

Our year began with an Easter Egg Hunt in the ball field behind the Fire Station, which was well attended by Richmond children.

In April, the Pot Luck Supper in honor of our senior citizens was held at the Veterans' Hall. Carl Decker provided musical entertainment.

Summer swimming lessons were again a great success. Many thanks once more to Camp Takodah and Bill Allen and the Waterfront Staff for their dedication to our children. Day Camp was held for the first time at the ball field behind the Fire Station. Campers and parents alike were very enthusiastic about our summer program. We hope that the coming year will be as big a success. Our thanks to all the Counselors and Volunteers for their outstanding efforts, and especially to Katie Brunk, who gave up her free time to be our Life Guard for swimming.

The Labor Day Parade went well and we wish to thank all those who participated and made it a success.

The annual Children's Halloween Party on Halloween Night was enjoyed by an enthusiastic crowd of ghoulies and goblins of all ages.

Our year ended with the Children's Christmas Party. Mr. Bubbles the Clown delighted all with a performance of clown magic. Margie Wyman led the Christmas caroling and, of course, the highlight of the morning was the arrival of Santa Claus bearing gifts and candy canes.

Look for posters at the Library and Four Corners Store bulletin board announcing upcoming events, or call a Recreation Committee member for information.

We encourage input from the community regarding the programs offered at present as well as any future events you would like to see happen. If you have a special talent or skill that you would like to share, please contact a Committee Member.

PLANNING BOARD REPORT

The Planning Board has had another very busy year.

Planning: At last year's Town Meeting, a "limited growth ordinance" was adopted by the Town. In conjunction with Article XX Growth Management—Interim Regulation, the Board developed a six year Capital Improvement Program (C.I.P.) running from 1988-1993. With this program in place and with the Master Plan done, we can now engage in regulating the timing of development through the establishment of growth limitations. As yet, it hasn't been determined whether an annual cap will be placed on either building permits or on the anticipated population growth.

Subdivisions: We approved 4 subdivisions creating 12 lots; mylars were signed for a 16 lot subdivision conditionally approved in 1986; a 2 lot and a 4 lot subdivision submitted in 1987 will be acted upon in 1988. Public hearings for two additional subdivisions are scheduled to be heard in January, 1988. We have been approached by several other developers and property owners but have received no further applications at this time.

Boundary Line Adjustments: We approved 3 boundary line adjustments.

Membership: Colleen Walsh and Cliff Warme resigned this year after both giving several years of service to the Board. They were replaced by Butch Morin and Alan Schmidt. Cliff remains an alternate.

Budget: For this coming year, the Board is requesting a budget of \$2,505.85. This includes Southwest Regional Planning Commission dues of \$705.85 and \$1,000.00 to develop and implement growth related ordinances and to update and reprint the Zoning Ordinances and Subdivision Regulations. We are considering raising subdivision fees this year.

CEMETERY TRUSTEES REPORT

This has been a quiet year, devoid of any major problems. In addition to the regular spring cleanup of the cemeteries and the regular periodic mowings to keep them neat, the Trustees undertook major stone repair work. Keene Monument was engaged to do some \$2,000.00 worth of badly needed repair to various stones. It is our intention to invest another \$500.00 into stone repair in the coming year.

Although some volunteer cleanup was started in Benson Cemetery previously, road conditions have precluded any work there on our part. Therefore, this year's work has been confined to the Middletown, South and Earl Howard Cemeteries. No lots were sold in the Earl Howard Cemetery this year and there was one interment.

At the Town Meeting the Trustees will be requesting approval to withdraw a few lots in the Earl Howard Cemetery from burial use and their conversion to landscaping. We feel this will improve the overall looks of the cemetery.

Out of the insurance monies received for the destroyed Hearse House, the selectmen have provided a wooden structure on the same site for use as a storage facility. We expect this structure to have its exterior completed in the spring to be ready for cemetery use.

Also in the spring, we plan to do tree work where needed and to repair the Middletown Fence.

POLICE DEPARTMENT REPORT

We are happy to report the new police cruiser is operating well as are the officers that use it. It has been long overdue and is much appreciated and many thanks go out to the townspeople who granted us permission to purchase it at last town meeting.

In addition to the new cruiser, we are also happy to report that this summer the Police Department moved into its new police station located at the newly renovated old Civil Defense Building. We are very grateful to the many volunteers that helped make this possible.

This past year has been as busy as ever with all the training and certifications that must be met, not to mention the police work that must be accomplished. We cannot stress too much the importance of citizen cooperation for your police department to function efficiently. Most of our arrests and convictions would not be possible without your support. Thank you from all of your police officers.

We are pleased to announce the promotion of our training officer, Dan Bigda to the rank of Sergeant. Dan has put in many hours and hard work into training, investigation, and court room duty.

Herb Stevens has been appointed to our department as an officer and will begin his certification program at the next available school.

Please remember to license your dog before May 1st. After May 1st by law we must pick up your dog and deliver it to the Humane Society if it has not been licensed. This is costly to the dog owner who must pay a fine and pound fees and to the taxpayers who pay the police officers to pick up the dog.

Thank you for your support!

CONSERVATION COMMITTEE REPORT

For your Conservation Commission, 1987 was a year of sadness, but also a time of change and challenging new directions.

Harry J. Bennett, the Commission's founding member and first chairman passed away on August 19, 1987. In addition to the loss of a good friend, Harry's death left a particular void in the leadership of the movement to conserve our natural environment, for Harry served with

distinction not only in Richmond, but at the county and state levels as well.

In 1984 the Town Meeting showed Harry our respect and appreciation by naming the town forest in his honor. The Commission shares with the Town a feeling of pride and satisfaction that this honor was rendered during Harry's lifetime, not as an afterthought.

Under its new chairman, Jeffrey Taylor, the Commission welcomed the appointment of Joseph Calabro to fill the vacancy caused by Harry's death. The Commission is in the process of establishing a permanent fund, to be called the Harry J. Bennett Memorial Trust. The intent of the trust is to promote, within the Town of Richmond, a greater appreciation and understanding of the need for conservation of New Hampshire's natural resources. Interest from the fund will be applied by the Commission to promote these goals by funding such things as the purchase of library materials, scholarships or tuition assistance for Richmond residents pursuing studies in conservation or resource management, or sponsorship of local educational programs. The Commission welcomes donations to the Trust in any amount from any person wishing to participate in the protection of our natural resources.

As the year began, the Commission sponsored a program in Veteran's Hall which outlined the Trust for New Hampshire Land's proposal for safeguarding the future of the state's natural resources. Although the program took place on the night of one of the year's worst snowstorms, twenty hardy souls showed up. Later in the year Senate Bill No. 1, passed by unanimous voice vote, provided funding for the first phase of the Trust's program of protection.

Commission Stanley Bartram participated in a series of workshops devoted to the identification and charting of aquifers and other underground water. As a result of Stan's considerable labors the Town now has a comprehensive map of its groundwater resources. This map, and its subsequent refinement, will be of great value to the Town in planning for future growth while affording necessary protection for this vital resource.

Again this year the Commission sponsored a young resident of Richmond for attendance at the Youth Conservation Camp run by the Society for the Protection of New Hampshire Forests. Participation in this camp, which can be an important introduction to understanding and appreciation of the natural world, is completely underwritten by the Commission. In the coming year the Commission plans to sponsor at least one, and perhaps more, young persons. Applicants (male or female) must have completed the eighth grade and be between 13 and 18 years of age. Anyone interested in applying should contact any member of the

Commission before May 1st.

This year the Commission arranged, through a program sponsored by the Cheshire County Commissioners, for free litter removal services for Whipple Hill, Cross, Old Turnpike, Lang, Bullock, Sandy Pond, Scott Mountain, and Taylor Hill Roads. Other town roads will be scheduled in 1988, if the service is available.

In December the Commission undertook an initiative which is expected to have far-reaching benefits for the Town. This initiative was the establishment of the Richmond Conservation Task Force. Although not fully organized by the year's end, the task force will have the responsibility of choosing outstanding areas within Richmond which are particularly deserving of long-term protection. Areas will be selected on the basis of unusual ecological or esthetic value. There is a sense of urgency about this task; the pressure of recent population growth within Richmond and elsewhere dictates that we must act now if future residents are to enjoy a quality natural environment.

Under laws passed by the general court in 1987, the Richmond Conservation Task Force will be cooperating with the Land Conservation Investment Program to accept donations of land, easements, or money. These donations may qualify for state matching funds to finance protection for additional land. A critically important first step will be the passage of the two articles on the warrant for the 1988 Town Meeting which are sponsored by the Commission. These articles will authorize the Selectmen to accept certain donations and will authorize the Conservation Commission to utilize some of the funds it already has on hand.

A great beginning for the Task Force was already in process by the end of the year. Mrs. Jennie Bennett advised the Commission of her intent to give to the Town a protective easement along each side of the Bennett Gorge on Brickyard Brook. This generous and public spirited donation will give a good start to the Task Force and is certainly a fine model for what the Commission hopes will be many similar donations toward our Town's future.

In conclusion, the Commission looks back on a year marked by loss, but also one of accomplishment. We anticipate much hard work in the year ahead but, with your cooperation, 1988 can be a year of great success in protecting the natural beauty of Richmond for the health and enjoyment of those who will follow us.

Respectfully submitted,
Norman E. Tandy
Secretary
